

OPEN STUDIO

two weekends

11am - 5pm • May 6,7 & 13,14 • Please join us!

Recycled garments dyed (by me!) with leaves
on display at OPEN STUDIO with
Barry's photography on canvas, metal and paper.

Proceeds from

RE-LEAF  WEAR

directly benefit two of my dear friends...

...**DANA FREEDMAN**, writer, life-flight nurse and single mother by choice,
who is in the process of a second (expensive), high-tech fertilization to provide her two year old boy,
Jonah, with a sibling. My goal is to raise \$500 for Dana's family-building fund
Get to know Dana and her writing via her blog, danafreedman.com

and

...**SHEREEN KANEHISA**, whose background in holistic health-care is now aimed at self-care.
Shereen is in life-prolonging alternative treatment for cervical cancer and
thriving with immunotherapies whose costs are not covered by insurance.
My goal is to contribute \$500 from RE-LEAF WEAR sales to her medical fund.
